The menu is on our website. .

We're looking for new school advisors/governors

We're looking for a member of our local community with a passion for our school and a commitment to supporting our success to join our friendly, dedicated School Advisory Group (formerly School Governing Body). This is your chance to give something back to the community by supporting and challenging the school's leadership team to drive school improvement and ensure that Thorpe Hesley Primary School is the best that it can be. We are looking for someone who would be able to commit to attending a half termly meeting (roughly every 7 weeks), usually on a Monday evening, and being able to visit school and chat to staff at least once a term.

Interested in knowing more? Take a look at the Advisory Group page on our school website (link below), speak to one of our existing members or drop me an email or pop in to school for a chat.

Multicultural Films

As you know, all of the year groups in school have been learning about a different country this term. To celebrate our multicultural topic and to share our learning with the other children in school and with you at home, each year group has made a short film about their country. The children loved making these and have really enjoyed watching each others within assemblies in school. We hope you enjoy them too. Please click on the links below.

Snow Day

Due to today's snow day, we have not had our usual Star Assemblies so there are no Stars of the Week to report and no read at home percentages to share. We hope you've all enjoyed some time in the snow and are keeping safe. Don't forget to share your snow pictures with us via Twitter @ThorpeHesleyPri

Red Nose Day: Friday 17th March

We are inviting children to wear non-uniform for the day for a small donation. All money raised will go to Comic Relief. We are also asking children to come to school on Friday with a joke ready to share with their classmates. Throughout the day, we will be sharing these jokes in classes to make each other laugh. Teachers will also be talking to our children about the great work that Comic Relief does and learning about the importance of helping people who are less fortunate than ourselves.

Press Pause is a small, professional, local company and we have recently been delivering the after-school mindfulness sessions at school. We specialise in mindfulness, meditation, breath coaching and flexibility yoga. In addition, we offer trapeze yoga, hypnobirthing and Trigger Point Pilates. Our sessions aim to reduce stress, improve flexibility, gain mobility, reduce anxiety, improve confidence, reduce pain, learn how to unwind and relax.

We offer 1-1 sessions, group sessions, workshops and after school clubs, plus nursery sessions and corporate programs. We also have a Re-balance your Life course just for ladies. All our courses and sessions are tailored to your needs and are suitable for beginners or experienced. We also run a small, friendly online mindfulness group each Wednesday at 7pm. Email or call for the Teams link.

Your first session is free whatever session or course you choose! Feel free to reach out and ask any questions you may have.
