Next week's menu is Week 1  
The menu is on our website. .

We have had a busy week in school! Our children have been taking part in lots of exciting Science learning for Science Week. We've created our own storms in a jar, hunted for minibeasts, examined finger prints to solve crimes, created rainbows and volcanoes and even had a visit from Miss Barker's giant snails! Our fantastic teachers really have gone above and beyond to provide such inspiring learning experiences for our children. We were also treated to a special Science assembly from the Science team at Winterhill School. We've also had a lot of hilarity in school today for Red Nose Day. The children have loved sharing their favourite jokes and some were even brave enough to share them in assemblies in front of the whole school. All money raised will go to Comic Relief to help people who are facing the toughest times of their lives, both here in the UK and around the world. As always, we are very grateful for your support and generosity.

Mrs Sarah Hewitt, Head Teacher

Please can we remind parents/carers that you **should not** be driving down the school drive or entering the staff car park at **any** time, including before and after school. We have had quite a few issues recently with staff being unable to enter the school drive and car parks because they are blocked and some near misses where children have been walking to or from the Woodlies building.

Just a reminder that you can bring your used batteries into school for recycling. There is a collection box in the entrance to both buildings. Thanks.

Well done to the following children who have earned the most coins this week:

1. Isabella W, Y3
2. Nicole B, Y3
3. Maisie-Rae C, Y6
4. Eileithya A, Y3
5. Darcey D, Y3

### New PE Equipment

Earlier this term we were successful in securing a bid for funding for some new PE equipment. This includes equipment for athletics, tennis and tag rugby. The equipment has now arrived and our children in both buildings have been enjoying using it in their PE lessons this week. We would like to say a massive thank you to WPA Healthcare for providing the funding and to Andrew Askwith, one of our advisory group members, for helping to organise this for us.

It's time again for our next TT Rockstars battle of the bands. Y1 will battle against Y2, Y3 against Y4 and Y5 against Y6. Its starts today and ends next Friday 24<sup>th</sup> March (winning year groups will be announced in next Friday's assembly and will win 10 minutes extra playtime).  
Please encourage your children to go on TT Rockstars as much as possible over the next week. Thanks for your support.
