Next week the menu is week two.  
The menu is on our web site.

As you may know, our children have been working very hard completing end of term assessments over the last couple of weeks. As always, we have been so impressed with their hard work and positive attitudes towards these. Our teachers have also been working very hard to produce mini-reports which you will receive on Tuesday, in time to discuss them during your parent consultations on Wednesday, to share their current attainment with you.

We are very excited about next week's Picture This project in school. We are looking forward to a week of creativity! Please keep a look out on Twitter to see what we are up to and we hope to see lots of you at our exhibition on Friday afternoon.

Sarah Hewitt, Head Teacher

### With Me in Mind

We are very excited to be working with 'With Me in Mind.' Please see the information below about the valuable work that they do to support young people. Our With Me in Mind representative, Rachel Dickinson, will be available on Parents' Evening on Wednesday from 3:30 until 6:00 in the Junior Hall should you wish to have a chat or find out more about their service.

*"Our service focuses on early prevention and intervention; ensuring children and young people, their families/ carers are able to access appropriate support to improve and maintain positive emotional wellbeing, to expand and widen positive self-esteem and to increase their self-efficacy in order to create resilience. We are working in collaboration with schools/education settings /external agencies in order to enhance and improve relationships. We hope that this will support educational settings to develop a whole school approach to emotional health and wellbeing ensuring that positive mental health is recognised as everyone's business and all pupils/adults can access an environment that develops strengths and coping skills that underpin resilience."*
