Next week the menu is week one.
The menu is on our web site.

We've had a wonderful time today celebrating the King's Coronation in school. Although the weather hasn't been on our side, we haven't let that dampen our spirits. Every class in school, along with a buddy class from the other building (Juniors/Infants) have also enjoyed an indoor picnic together. We've loved seeing all of the children dressed in their red, white and blue outfits and, as always, are very grateful for your support. I've included a few pictures below of the children enjoying their day but there are lots more on our Twitter page so please take a look at @ThorpeHesleyPri.

Just a reminder, we are still keen to recruit a new school governor. If you are interested, please click on the link for more information or contact Mrs Hewitt via the school office.

Finally, I would like to wish our Year 6 children lots of luck for their SATS next week. We know that you have all absolutely worked your socks off and, whatever happens next week, we could not be more proud of you. You have absolutely got this!

Parents, we need your help. As a school, we are working towards our accreditation for being a certified school with the National Online Safety (NOS) website. We are up to 83% and only have 1 more section to complete. The remaining section is: Encourage Parents to Complete a Course. If you already have a NOS log in, great! If you would like to set up an account, please use the following link:

<https://nationalonlinesafety.com/enrol/thorpe-hesley-primary-school>

Parents can choose 1 of the following to complete:

- Annual Award in Online Safety for Parents & Carers of Children aged 3-7
- Annual Award in Online Safety for Parents & Carers of Children aged 7-11
- Annual Award in Online Safety for Parents & Carers of Children aged 11-14
- Annual Award in Online Safety for Parents & Carers of Children aged 14-18

As a school, we access a lot of training through NOS and would highly recommend them. Online Safety is a big priority for us as a school and is an area that is constantly evolving and we know can be a bit of a minefield for lots of parents. We therefore hope that many of you will find these online courses valuable and informative and may help you in ensuring that your children stay safe online whilst at home.

Thank you for your continued support, Mrs Marsden
