Next week the menu is 2
The menu is on our web site.

It has been lovely to welcome Mrs Rawlinson, Deputy Head Teacher, back from maternity leave this week. We've definitely missed her! We've also had a fabulous week of sport. Thank you to all of our families for supporting us and, to those brave enough to participate in the adult races, thank you for being good sports! The children have impressed us with their determination, skills and team spirit. A big thank you also to the students from Wingfield Academy who have supported us. It has been lovely to see a few familiar faces. Don't forget to take a look on our Twitter, @thorpehesleypri, where there are lots of photographs from this week's events.

Play Leader of the Month

The playground leaders continue to do a fabulous job! Many children have received nominations for being an amazing playground leader and I am so proud of you all. This month's playground leader of the month is Ellie-May (Class 18). Ellie-May is fairly new to this role but she has shown kindness to the children and used her initiative to set up games. Well done Ellie-May, you have really impressed me! Mrs Marsden 😊

Story Festival

In the week commencing 19th June, we will be holding our first ever Thorpe Hesley Primary School Story Festival. This will be a full, non-timetabled week dedicated to literature, storytelling and oracy. The theme will be 'traditional tales' and will be followed by a 'Booknic' (a bit like a picnic but with books!) where classes will share performances with the opportunity to win Th'Oscars, Thorpe Hesley's very own version of the Oscars!

Cars on the School Drive

Please can we remind parents and carers that you should only be entering the school drive in your car if you have a permit. This includes if you are using breakfast and after school club. If you think that you would be eligible for a parking permit, please contact the school office to discuss this. If you do have a permit, please ensure that you are only using the school drive during the times stated on the permit to avoid the times when the driveway is busy with our families walking to and from school. Please let's all help keep each other safe.
