Next week the menu is week 3.
The menu is on our web site.

There have been so many things that have made me proud this week, I don't know where to start! On Monday, our Year 2 team had an external moderation from the Local Authority. They passed with flying colours and the moderators were really impressed with the teachers' knowledge of their children. Our Year 4 children also completed their Multiplication Tables Check on Monday. We were so proud of the calm and mature way that they approached this and are feeling confident that the results will reflect the children and staff's hard work!

Our Year 1s and some of our Year 2s have also completed their Phonics Screening this week. Again, they were so calm and worked so hard. We're still waiting for the final pass mark to be confirmed but we are VERY pleased with the initial results. All of the children absolutely did their best and the staff have also worked so hard on this.

This week was also the Year 6 residential to Scarborough. Staff have been absolutely blown away with how well the children have represented our school whilst out and about and it sounds like everyone has had a fantastic time. A huge thank you goes to all of the staff who have been involved in the residential this week, particularly Mr Meares who has done most of the organisation. Our children are so lucky to have such fabulous staff who are willing to give up their own time. We are also lucky to have such fabulous children who make it a pleasure doing so!

So, all in all, I am one proud Head Teacher!

We are also very excited to welcome Miss Turner back from maternity leave next week. It will be lovely to have her back.

Mrs Hewitt x

Lost Property

We have been informed of a few items going missing recently. Please could you ensure that all of your child's belongings (clothes, water bottles, sunhats, sun cream, PE kits etc) are clearly labelled with your child's name and class so that if they are found it is easy to reunite them with their owner. Please also avoid sending expensive items in to school. If there is a reason that your child needs to have their mobile phone with them in school, please could you remind them to hand it in to their class teacher on arrival. If your child does lose anything whilst in school, please do let us know and we will do our best to help find it.

We have tasked some of our prefects with tidying the cloakrooms and will be speaking to all children about keeping these tidy, respecting each other's property and being responsible for their own. We would be grateful if you could also reiterate this message at home. Thanks.

THPS Friends & Relatives Team

We are excited to be launching this new team of volunteers from our local community to support with organising and running fundraising events. Information about this should have come out to you this week. If you are interested, please either complete and return the slip or email:

THP-Class2@nclt.ac.uk.

This week you should have received on your personal email...
